

YOU GOTTA FEEL ALOHA
By Alan Naluai

Aloha is a word that has so many meanings
like saying hello and goodbye
It means how are you and I miss you so and I hope you're feeling alright.
But most of all it's a feeling from within that makes you feel so good inside
Cuz aloha means with all my love A - a - ll my love to you . . .

**Hui: You gotta feel aloha, Aloha brings us all together
Sing aloha if you're looking for fun and pleasure
Share aloha, reach out and lend a helping hand
You gotta feel aloha, alo -o -o -o -ha
The heartbeat of this land!**

You can have aloha just open up your heart and
Share it with a great big smile
Making someone happy each and every day
Just takes but a little while
You can have a feeling it comes from within
It makes you feel so good inside
Cuz aloha means with all my love
All my love to you . . .

**Hui: You gotta feel aloha, Aloha brings us all together
Sing aloha if you're looking for fun and pleasure
Share aloha, reach out and lend a helping hand
You gotta feel aloha, alo -o -o -o -ha
The heartbeat of this land!**

A lo - o - o - ha, the heartbeat of this land

A lo - o - o - ha, the heartbeat of this land
